

The comments are in support of keeping K-Love in my community. I believe that K-Love is a vital part of my life and to the greater benefit of the community. K-Love provides encouraging words, guidance, and support to anyone who needs it. They are safe for all members of the family and encourage all listeners to better the community of which we are a part of. This station guides people to be better to each other and our community. If we replace this station, I think you will lose the goodness this station spreads. I believe that many good acts in our community, state, and country are prompted through the works of K-love and similar station. I would be detrimental to remove them from the air.
